# ABOUT US

Our partners, who have been in the automotive accessories market since the 1990s, established As Aktif Otomotiv in 2017 by combining their knowledge and experience.

We operate in a 1900 m2 facility in Bursa, where we conduct production and operations.

We strive to provide a "Holistic Quality Experience" in all processes from design and quoting to after-sales customer support.

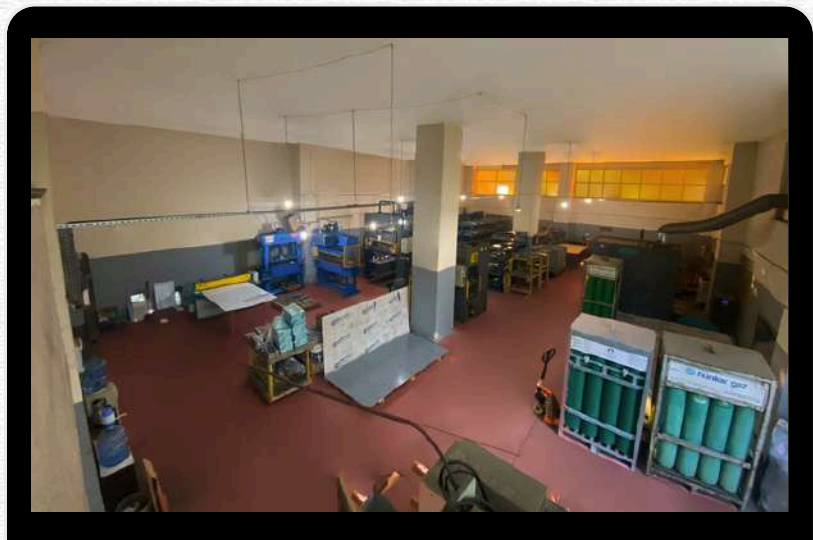

As one of the companies that offers the most variety with over 1700 products, we closely follow the innovations of the constantly evolving automotive market and change with it harmoniously.

With our reliable and competitive profile and on time delivery of desired quantity products, we produce in line with global standards.
